i dont recommend this game because its very boring game. PROS -good game if you want to use shotty controls to fix horribly textured streets.. game keeps crashing what a waste of time and money will be getting a refund asap. would rate this game 4 out of 10 thought it would be much better then it is. PROS -good game if you want to use shotty controls to fix horribly textured streets.. WOT A WASTE OF MONEY THE WORST GAME IVE EVER PLAYED I WANT MY MONEY BACK.
